

Read SI, is the local affiliate partner of the Dolly Parton Imagination Library. The partnership includes over 20 agencies, individuals, and programs from across southern Illinois and is facilitated by the Southern Illinois Coalition for Children and Families, the Southern Illinois Community Foundation and the Walker Borum Foundation.

Regional participation in Dolly Parton's Imagination Library is made possible only through the generous contributions of community members, corporate donations, and sponsorships, along with an investment by the state of Illinois, which covers half of the cost for each child enrolled.

We need your support to be able to provide this opportunity to ALL children in 18 counties of Southern Illinois.

Thanks to the support of the Dollywood Foundation and the state of Illinois, the cost to us is only \$16.00 per child per year. The program is open to children from birth through 4 years of age.
